1987: A Great Class

Well, here it is — June, 1987 — and as the senior class members watch graduation day approach, they can't help but reflect upon the days when they were beginners, and they wondered what to expect as freshmen. "Four years have gone by so fast. I can't believe I'm a Senior". "Can't hardly wait till graduation", "College, here I come" are but a few comments heard around campus these days.

The Class of 1987 always has demonstrated the desire to succeed as well as the competitive spirit. As one senior put it, "I've had great experiences here — we didn't win all the time, but I wouldn't want it any other way. We've gone through so much together that whether we won or lost doesn't matter — only our memories do." These special memories include: teachers, friends, dances, favorite place to have lunch, the seniors table, that special someone, the prom, gradnite 87.

"I remember when I decided to be the advisor for the class of 1987," says Mr. Mora, who has been working with them since they were freshmen. "They were a good group in the beginning, but every year we became stronger in spirit and more united. I learned a lot from these young adults. I miss them when they graduate, but I know they will find a way to come back and say hello to us all."

Handwritten notes and signatures at the bottom of the page, including names like "Ryan McGuire", "Norma Rosas", and "Mr. Mora".

“88” Forever!

I'm proud to say that the class of "88" is on the road to success! After having lost some numerous events in our Freshman year, then receiving last place in Spirit Week of our Sophomore year, we finally picked up our act and came in 2nd place in Fantastics '86. Our junior year started off with a big bang. With Sylvia Vasquez as President, Margaret Gonzales as Vice President, Kim Pham as Secretary, and Chi-na Kim as Treasurer, we have had a well organized class. As juniors we were honored with 1st place during the Spirit Week celebration. Because of this triumphant success, we became more cohesive and effective as a class. With the helpful support of our advisors, Mr. Garcia and Mr. Harrington, the Junior class was able to nurture its goals. The future holds great promise for all of us. — L. Sison

The Class of 1989 is Red Hot!

The 89ers were fire red during Spirit Week as they dressed in their firemen uniforms. Their enthusiasm did not stop there as Ray Griego totally rocked the rally in the Elvis competition. With much of their spirit the class of 89 displayed an "outer-galactic" opening for fantasies.

How did the Freshmen capture the Spirit banner at Y.B.? Back in September, they elected a dynamic set of officers; President Nick Townsend, Vice-President Malik Franklin, Treasurer Lan Duong and Secretary Lush Phan. With this leadership, the class organized and participated in a series of activities that tested and proved their spirit. Everyone remembers Spirit Week. They remember their hard work and enthusiasm to make it fun for everyone. The Freshmen will never forget how they got to know one another and to work together when they participated in the Freshman hike. Who can forget FANTASTICS? They learned that putting out one's best effort is what "spirit" is all about. The class of 1990 cannot forget the encouragement and support given by their advisors, Mrs. Ann Musumeci and Mr. Allen Burger. Finally, the Class of 1990 is determined to continue to carry the "spirit" of Y.B. into the future.

1985-86 FANTASTICS

After Spirit Week, the most exciting time on campus occurs each spring when the classes gear up for the FANTASTICS competition in the gym. Last year (85-86) all the classes went all out to win the competition — with the class of 1986 ("Back to the Future") being the winner. The games in which the classes competed included a two legged race, tug of war, and building a pyramid. The Class of 1988 ("Expired brides and grooms") came in second while the Class of 1987 took third place ("The History of Rock and Roll"). The Class of 1989 came dressed as cowboys and indians.

Freshmen Day

1986-87 Spirit Week

Spirit Week this year showed some really intense spirit. It all started out with the sophomores and their "Hot" spirit as fireman. Next came the freshmen as nerds. Though nerds, they sure did rile up a storm. Then came the juniors, "Walking like Egyptians," giving an excellent display of spirit. Finally came the Patriotic seniors in a shouting sea of red, white and blue.

After all the clamor was over, the standings were Juniors (1190), Seniors (1165), Sophomores (650), and Freshmen (535). But regardless of standings, and of who won, the week itself was fun and memorable.

Blood Drive

On Wednesday, October 29, our district Superintendent Dr. Reynolds joined the Yerba Buena staff and students in their annual Fall blood drive. Mr. Kevin Lyter and his physiology classes, in cooperation with the American Red Cross, turned the small gym into a blood donation center. Students registered the blood donors, assisted the nurses and provided refreshments for the "recuperating" donors. Last year, Mr. Lyter's group held two blood drives and had a total of 280 donors. They were the largest non-commercial contributor of blood in the Central California Region, which includes Santa Clara, Monterey, Santa Cruz, and San Benito Counties. Eight of the forty contributing high schools in the Central California Region were from the East Side Union High School District and 682 of the 3,561 total donors, or 20% of the high school-age donors, were E.S.U.H.S.D. students!

“Biscuits”

This year the Drama Workshop, under the able direction of Mr. Harrington produced “Biscuits,” which was a collection of humorous skits and songs—several of which were created by the drama workshop members. As there were many roles to play, a large cast was necessary — undoubtedly one of the largest in Y.B.’s theatrical history.

Among the many amusing skits was "The Cure," in which Alex Carrillo portrayed an actor who was rehearsing a commercial about a medicine that contained 99% alcohol. Among the other presentations were Steven Parker's rendition of the song "There's a dead cat in my underwear" and David Olsen and Lydia Sanchez' portrayal of two teenagers who have a peripatetic relationship. The most elaborate skit presented as a one act playlet—a greatly shortened version of "Hamlet." We would like to thank Mr. Harrington and his workshop members for another fine production—we can't wait to see next year's presentation!

Cast: Omar Araya, Adriana Carrillo, Alex Carrillo, Anna Diez, Shannon Dwyer, George Eisner, Muriel Giles, Paul Long, Yvonne Lozano, Diem Nguyen, David Olsen, Steve Parker, Nikki Proffit, Jerome Rivers, Becky Rodarte, Shirley Rogers, Lydia Sanchez, Eva Sandoval, Patty Slusher, Joana Toosig, Gayle Tomimaga, Donna Wong. Special Appearances: Tony Long, Lana Pelayo, and Christopher Thompson

Christmas Dance

As Much Fun As Ever . . .

The annual Yearbook Christmas Dance was as much as fun as ever — we all danced to the High Energy music of Joe Dudis while enjoying the good vibrations of the season. A very special feature was the presence of some expert photographers from Western School Portraits who took colorful prom-type portraits throughout the festivities. Naturally, the high point of the evening was the coronation of the 1986-87 Yearbook Queen Violet Perez. The runner-ups, all who deserve special thanks, are Sonva Garcia, Rowena Royola, Jonita Dixon, and Renee Ruos. All the other candidates, among whom are Dione Schow and Maria Silveira, also are thanked for their efforts.

Halloween Events

Halloween — the scariest day and night of the year? Well, perhaps not, but it sure is one of the most enjoyable on the Y.B. campus. This year we had a large number of costumed folk wandering around until the extended lunch period when the costume competition occurred. A visiting group from another high school gave a wonderful (?) performance of "Duke of Earl." Alfalfa and Buckwheat of Our Gang (Little Rascals) fame entertained us with a rendition of "Oh, My Darling," while a couple of strange-looking spys also performed for the large crowd. The top winners of the costume contests were student Anthony Smith ("Michael Jackson") and faculty member Mrs. De La Rosa ("Jack in the Box").

Among the many honors that have been awarded to our school this year was the presentation of a plaque for taking first place in the oral presentations of the Bicentennial Competition Hearing held on December 10. This very special competition was held because the United States Constitution was written two hundred years ago. Mr. Ken Sweet's fifth period Civics class won the award after competing with eleven other schools. We also were honored to have Mr. Don Edwards present the award to Mr. Sweet's classes during a special program in the theatre. Mrs. Mendeke also was kind enough to attend.

Newspaper Staff

The resurgent Y.B. newspaper began its second year of publication with an even more enthusiastic staff. The year's first issue saw the light of day in the middle of September, far earlier than might be ordinarily expected. Because of the small budget and a lack of advertising, issues were printed on campus in a smaller format. This restriction did not hamper productivity however, under the hardworking leadership of editor Trang Nguyen and with the 'marvelous support of Mrs. Kim Kenyon at the presses. Kim Nguyen, Jacqui Duong and Debi Rodriguez gave backbone to the writing as did Frank Garcia and Steve Thomas as sports editors, ably supported by Maria Ochoa, Tanya Smiley, Mercy Pettit, and Pam Nelson. Michele Le Bleu and Patrick Zaragoza provided features, while the paper was frequently highlighted by David Arevalo's movie updates. Many also spent after school hours in production doing typing and paste-ups: Sonya Garcia, Linda Quihuiz, Khieng Ly, Sine Korm, and Thavry Nguon. Despite the limitations, 1986-87 was an enjoyable, productive year. A significant first was even scored: the paper was mailed home for Christmas!

Third Annual Mousetrapmobile Competition

Not since Gary Hart's visit during the '84 Presidential Campaign has Yorna Buena High received so much press coverage for a single event. KPIX Channel 5's Evening Magazine, KBCU Channel 36 News, San Jose Mercury News, and of course YB's newspaper and yearbook staffs were here to witness this annual event. Sponsored by Mr. Kevin Lyter and his physics classes, the Third Annual Mousetrapmobile Competition involved designing and building a mousetrap-powered vehicle that could carry a raw egg without breaking. The competition was divided into two main divisions: Externally powered and internally powered vehicles. The former used the mousetrap as an external launcher to activate the vehicle, while the latter included the mousetrap as part of the vehicle.

Winners were decided upon the distances that their vehicles traveled, and trophies were awarded to first, second, and third places in each division. Awards were also given for "Distinguished Craftsmanship" and "Most Creative Use of Power Source." The final results of the December 11th competition in the externally powered division: Gao Ha (16.276m), Hoang Nguyen (14.23m), Anh Nguyen (7.16m) raced to first, second, and third places respectively. Awards for the internally powered division went to: first place winner Khueng Ly (24.06m), second place Sin Korm (23.18m), and third place Seng Nquy (22.20m). Congratulations to all the participants!

Do you know what the Academic Decathlon is? It's a team comprised of nine students, who are either Juniors or Seniors and they are coached by both the faculty staff and administrative staff. This year the competition to be a member of the Academic Decathlon was stiff. All the students who tried out for the team were excellent. Trying out meant writing an essay, being screened, and then if still considered for the team, having an interview. The coaches had a rough time choosing the members of the team.

De- at- h- l- o- n

The team members must cram in knowledge about Economics, Mathem atics, Science, and the Fine Arts, as well as read Hamlet, prepared a speech, etc. etc. The team did its best to learn so much because on November 15 they represented Yerba Buena at the county wide competition against thirty schools.

After the competition was over, Yerba Buena was in 14th place! Not only that, but Kha Nguyen received a first place for his speech! All of us at Y.B. are proud of the efforts of the Academic team members and coaches: Greg Merritt, Kha Nguyen, Thoai Tran, Debi Rodriguez, Chinh Nguyen, Luan Nguyen, Kim Pham, Ngoc Thuy Ngo, Jacqui Duong, Mrs Olvera-Bohn, Mrs. Mendeke, Mr. Minor, Mr. Foehr, Mr. Isberg, and Ms. Fleming.

The 1986 cross-country team was very successful, considering the team had many first time runners. The outstanding runners on the Varsity team were Sophomore William Cuevas (most valuable) and junior Patrick Bailey (most improved).

The Frosh-Soph team consisted of many good runners. Freshman Antonio Rodriguez was the number one runner on the team, with Terry Martin right behind him.

This year was a good year for cross-country, but next year is looking even better.

Frosh/ Soph Football

It's great to be a Warrior! It was a memorable year for me because it was my first year coaching football at Yerba Buena. Despite a sluggish beginning of 1-4, our 1986 Frosh-Soph Warriors never lowered their heads nor lost their confidence. There was eagerness to sacrifice personal interest and glory for the welfare of all. The Yerba Buena Warriors took on the "Team Comes First" attitude, and we were able to win three of the remaining four games of the 1986 season. In conclusion, overall success is credited to the entire "Warrior Football Program." —Coach Pichardo

The Varsity Football Season was one of highs and lows. Under the guidance of first year Coach Vasconcellos, the Warriors made great strides. Paced by a strong defense and improved special teams, Y.B. was in every game.

The highlight of the season was a 19 to 14 victory over C.C.S. finalist Oak Grove. This broke a 10 year losing streak to the Eagles and marked the first time in 3½ years an M.H.A.L. football team had beaten the Eagles.

Our 1986-87 season proved to be our strongest in recent years.

With only 18 dedicated swimmers (2 Seniors, 2 Juniors, 3 Sophomores, and 11 Freshmen) and a 12 week season they did an outstanding job. Each athlete improved throughout the season. I am hopeful that all these talented, spirited ladies will return next year for an even better year. All hardworking ladies are invited to try out for the team. You do work hard, you will improve and you will have fun.

This year's Varsity Volleyball team didn't make it to the play-offs. We had some very strong efforts and good games. Our All-League Player went to Jeannie Ruiz a Senior. Also Jeannie received the coach's award. Our most dedicated player was Veronica Perez, Junior, and Juanita Cardoza, Junior, for most improved. We are looking forward for a promising winning season for 1987 as we have 6 returning players.

Frosh-Soph Volleyball

Our season ended with a record of 2 and 13. The makeup of the team consisted of 4 returning players and 8 novices. The most important trait of the team is that the f/s team is overwhelmed with talent and vitality. Next year our practice will begin in the summer and we look forward to a challenging season. Thank you very much Sophomores for teaching me many things and good luck novices next season! Siempre, Your Coach, Mr. Ortiz.

Varsity Tennis

The Girls' Tennis team had an unforgettable year. Most of the players are sophomores and juniors. Next year we will be stronger. Trophy winners for this season are: Most Valuable Singles Player — Diep Le (Senior)

Varsity Softball

Frosh/Soph Softball

This year's Frosh/Soph Softball team has many enthusiastic players and high spirits. The team is a mixture of freshmen and sophomores with great potential for a good season.

Our starting pitcher, Karina Murria, gives our team hope and great moral support to our defense. Without her, everyone would get angry and frustrated. Some of our power hitters and players are Cynthia Brionez, Patty Panuco, Sandra Rosas, Marina Segura, and Evonne Machado. Our goal is to finish the season with a 500 percentage or better.

Varsity Baseball

This year's Varsity Team carries the most talented group of baseball players since 1983 when Varsity won the MIAA Varsity Baseball Championship. After a disappointing season of 1-14-2, the team began the season. Young Buena posted an impressive record of 12-1-1, and ended 13-1.

The team is again a good team with a hard fought (R) victory. Pitchers Mike Lujan, and Steve Lujan, and Varsity Pitcher and the way to play for Junior Rodriguez, and Travis Lujan. Season, expecting to play. The players are: Junior Mark Hazzard, Ben Kees, and Joe Brady. New pitching players up from last year's team are: Fresh Scott Lujan, and Varsity Lujan, Duane Asuncion, Luis Lujan, and Varsity Paul Martinez, and Varsity Raguel. Outstanding Junior Players include George Robinson, Elvira, and Scott Shaw.

The Frosh/Soph Baseball team will be looking to make the 1987 season as successful as last year's M H A L champions. But the road will be a difficult one. With only three returning players the key will be how quickly the new players learn the system and overcome their inexperience.

If the puzzle pieces fit together, hope is that 1987 will be rewarding.

Varsity Tennis

With 25 students trying out for this year's season, the boys' tennis team looks good. The majority of the new players are already skilled. Looking into the future, the team will be strong. The Varsity members are: #1 Singles — Quan Nguyen; #2 Singles — Khang Huynh; #3 Singles — Minh Vu; #4 Singles — Giovanni Ella; #5 Singles — Vue Vang; #1 Doubles — Bao Nguyen, An Nguyen; #2 Doubles — Khoa Nguyen, Hai Ly

Varsity Swimming

The 1987 Warrior Swimming and Diving Team promises to be one of the strongest teams that Yerba Buena has ever had. We have seven returning lettermen who all placed in the 1986 M H A L. finals. Three members from the team that placed third at the M H A L. finals at last year's meet.

This year's team will be led by seniors Richard Alges and Khoi Pham, and junior Mark Emerson. Richard placed in the championship finals of both butterfly and backstroke. Khoi made the championship finals of diving. Mark made the championship finals in the 100 freestyle and won the consolation finals of the 200 freestyle.

Senior Duc Van should be one of the fastest breaststrokers in Y B. history by the end of the season. Junior Ramon Ron will be one of the league's top butterflyers. Senior Vance Bishop will be an excellent sprinter. Sophomore Scott Blazius will help us with his backstroke and his versatility. Senior Martin Moe will compete in his final diving season.

Swimmers who have shown early season promise are seniors Gene Kim and Tim Tiscareno, and freshmen Richard Ormco, Ismael Ron, and Jin Kim. — Coach Isberg

Y B's First 4-Year Lettermen

Riley Stevens and Mike Szwed are the first ever to earn letters four consecutive years in Varsity Track, or in any other sport, in the school's history.

Mead Hall

"Eat, drink, and be merry!" These were the words of King Henry VIII (Jeff Requejo) who invited a crowd of approximately 300 people to join in the evening's festivities. It was a unique evening as students, parents, and faculty showed up in Old English type costumes which added a lot of color and pageantry. After dinner, King Henry invited his subjects to enjoy the entertainment. It was authentic "Mead Hall" while as the crowd watched Shakespeare readings, minstrel singing, dramatic presentations, country dances, the courtly dance and even the King himself in song and dance. Joining the evening was Mr. Will Wood who came as Sir Walter Raleigh. It was a jolly good time and truly a Y.B. edition.

Vietnamese and Chinese New Year

The Vietnamese and Chinese Club joined together to present the Lunar New Year performance. The members of both clubs put in many hours of practice for this presentation. The long hours of practice obviously paid off. As a large audience was attracted to the free show, the Y.B. Theatre was packed. Both traditional Vietnamese and Chinese dances were performed as well as dances that were created by the club members. New Wave music was used for a few of these new dances. The concluding segment included a funny play. This New Year's program is the best one ever presented at Y.B. — Quyen Tran

Black Student Union Events

Mary Hickson

Sonja Steptoe

The 1987 BSU got off to a great start this year. They had a contest that started February 5th and ended February 25th. It involved identifying famous Black leaders. Winners were awarded prizes. The BSU also sold soul food February 27th at lunch, which turned out to be a real success. The festivities ended that night with an evening of rhythm and soul. Later events included: March — District BSU Queen Pageant (Seniors Sonja Steptoe, and Mary Hickson competed for this title), a talent/fashion show, and a swim party in May.

Yosemite

This year's trip to Yosemite was an enjoyable learning experience. The trip gave the students an opportunity to interact with nature. During the hikes, the guides explained how every organism contributes to the earth. The students came back with a better knowledge of nature — which wouldn't have been as interesting if taught in the classroom. It wasn't all work, however. There was time to go on your own and enjoy yourself!

Many memorable events took place at Yosemite during our stay. Lisa Holmes had a close encounter with a coyote in a pitch dark forest with the nearest person at least fifty yards away. After seeing Lisa's fear-inspiring stare, the coyote backed off and left. Shanna Boogaert was attacked by a woman eating Sequoia tree and Josh Thompson and John Deluca went against the Hairy Lady of Merced Grove to bring water to the cabin late at night!

Many students changed their attitude and thinking after their stay at Yosemite, which was the goal of Yosemite Institute. If you're planning to go next year, let me offer you some advice: this trip is not for the squeamish or those who can't stand a little dirt. You may have to battle the Hairy Lady or eat dirt with your lunch!

Academic Assembly

This year's Academic Assembly was full of entertaining skits, but it had a serious purpose — to recognize all those students who work hard in their classes.

This year's book was very much a team effort — several of the staff members put in much extra time to help meet our deadlines and to help raise extra funds. They all deserve a special thanks. Also deserving thanks are the many people who have helped us this year: Mr. Ernie Umemoto and his Western School Portraits Staff, Mr. Kevin Lyter, Mr. Al Vacio, Mrs. Kim Kenvon, Mr. Mark Tran, Mr. Adam Woblesky, Mr. Tom Walker of Taylor Publishing, as well as all those faculty members who helped us with write-ups, name lists, etc. Also, these photography students helped us with last minute lab work: Al Du, Chhith Tang, Tony Vu, Sophal Ky, Khoa Le, David Tran, Davis Tran, Van Do, and Odhelia Yusico. A final thank you to "Stray Cat" for helping with our "AZTEC Yearbook Journal" — the publication designed to entertain while making one aware of the current Yearbook Staff sponsored events

Veronica,

It's been fun knowing
you this year. You've
been fun to talk to.
Have a nice summer
and call me since I'm
never gonna see you
again. Your friend,

K.I.T.
